Your site

[moodle.websafe.ws](https://moodle.websafe.ws)

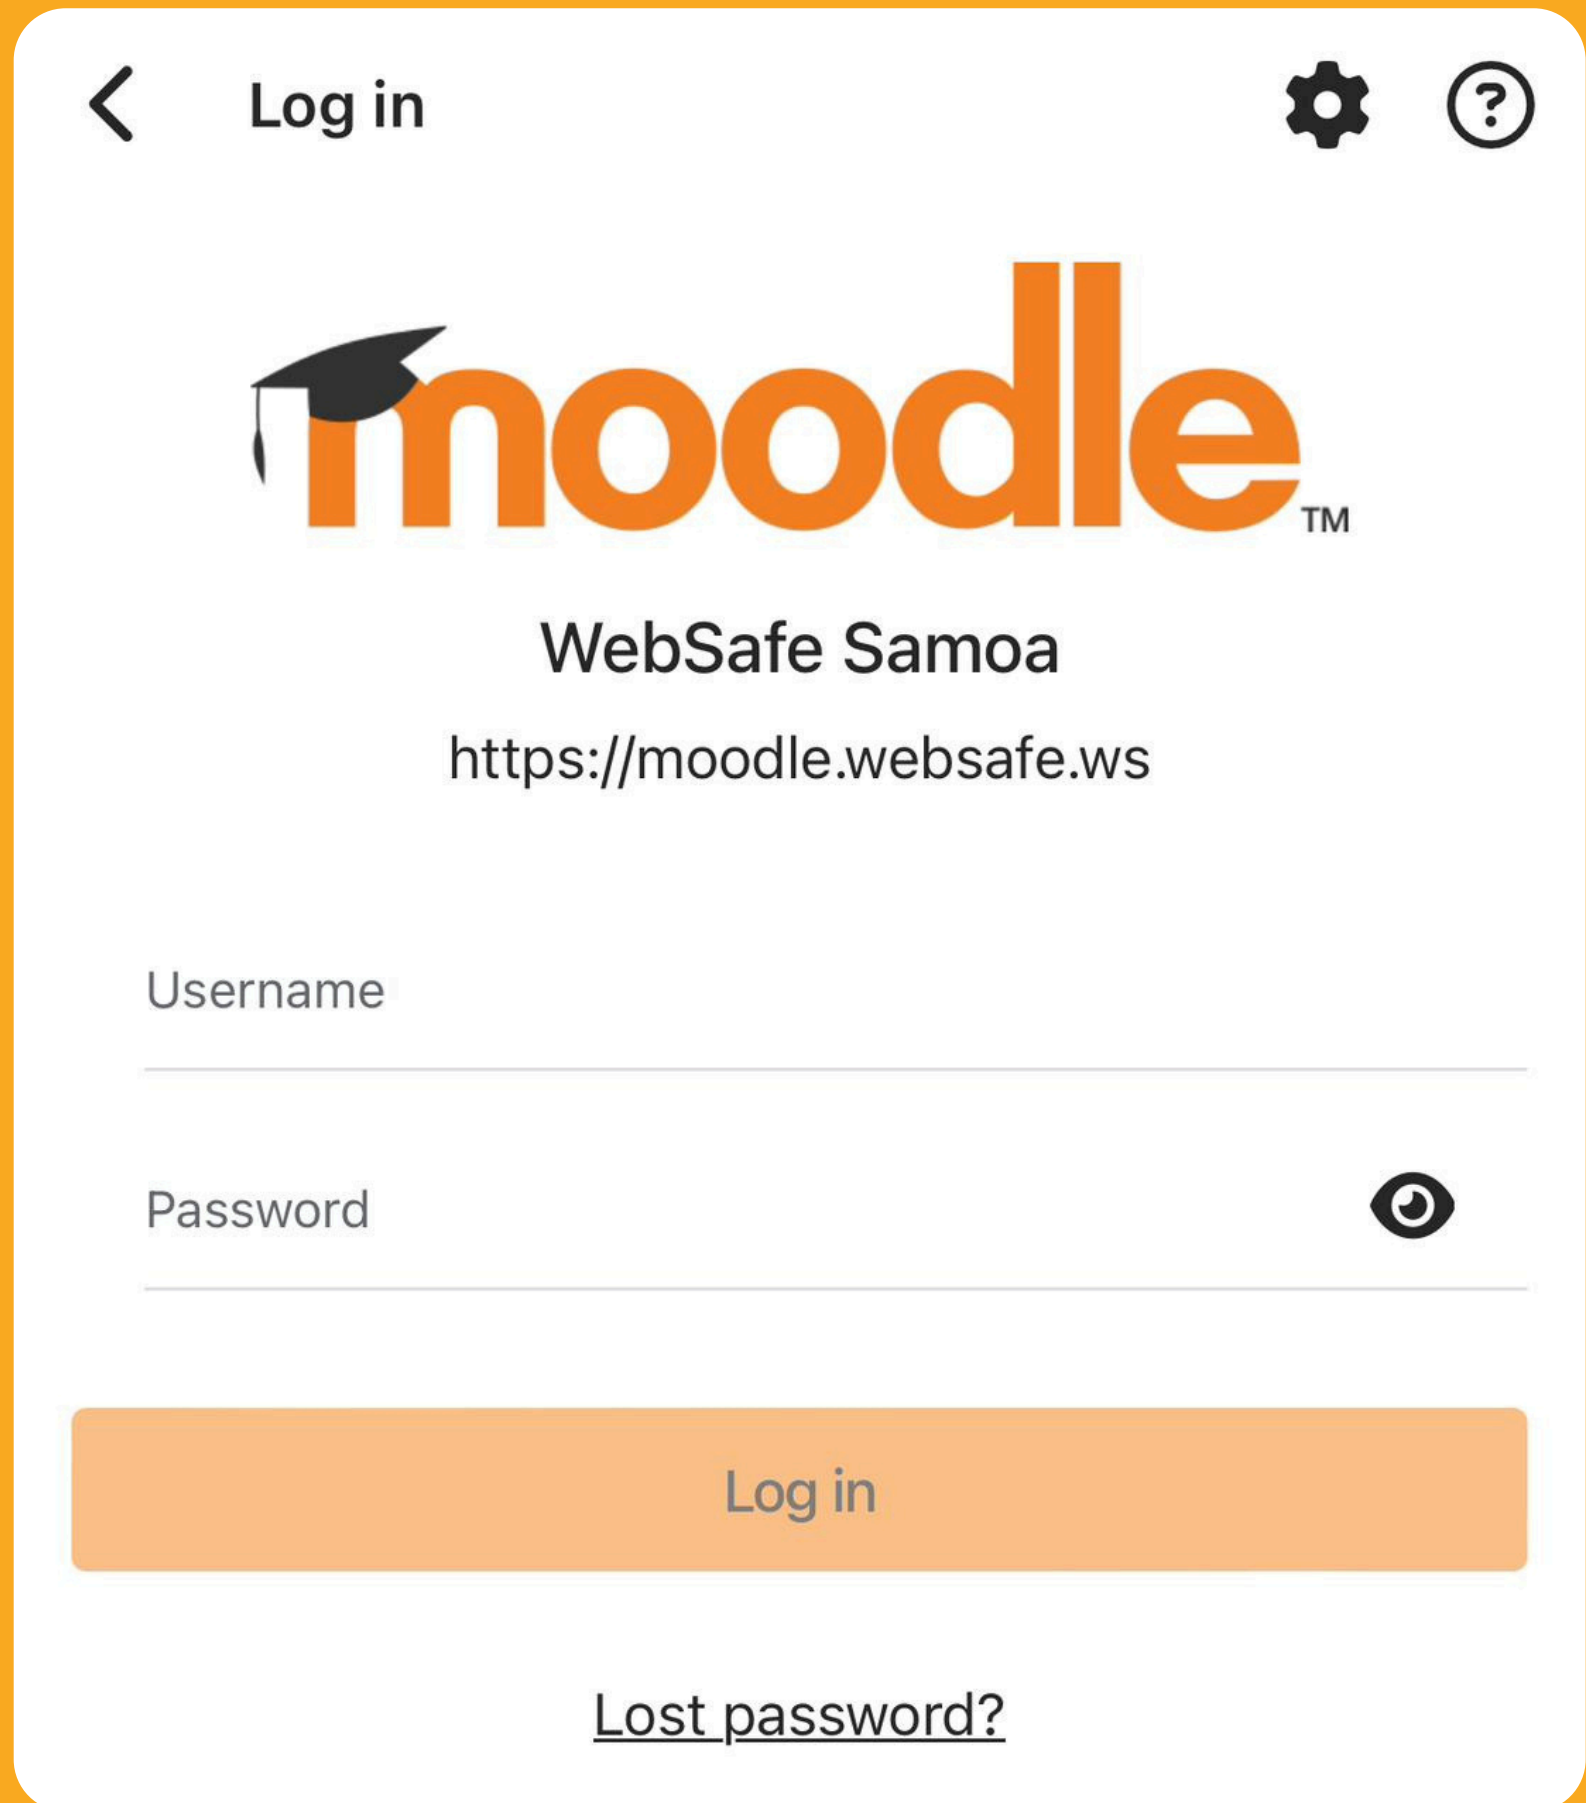

Please select your account:

Connect to your site  
[moodle.websafe.ws](https://moodle.websafe.ws)

- Enter your username and password as provided by your institution.
- Tap Log in to access your Moodle courses and resources.

The image shows a mobile application interface for logging into Moodle. At the top, there is a back arrow, the text "Log in", a settings gear icon, and a help question mark icon. Below this is the Moodle logo, which consists of a graduation cap icon followed by the word "moodle" in orange lowercase letters with a trademark symbol. Underneath the logo, the text "WebSafe Samoa" and the URL "https://moodle.websafe.ws" are displayed. There are two input fields: "Username" and "Password". The "Password" field has a toggle icon (an eye) to its right. Below the input fields is a large orange button labeled "Log in". At the bottom of the form, there is a link that says "Lost password?".

**LOG IN**

# TIPS FOR USING THE MOODLE APP

- **Stay Updated:** Ensure that you regularly update the Moodle app to benefit from the latest features and security updates.
- **Enable Notifications:** Turn on push notifications to receive important updates and announcements from your courses.
- **Offline Access:** Download course materials and resources for offline access, which can be particularly useful when you have limited internet connectivity.
- **Sync Data:** Frequently sync the app to ensure all your progress and data are updated and consistent with the web version.
